

BRITISH TRUCK RACING ASSOCIATION

To ALL Race Teams,

Just to remind you that smoke levels will be policed **strictly** at Donington!  
I thought that the German organisers did not police the smoke as strictly this year, if it had been the UK then several trucks would have been black flagged for excessive smoke, so please check your engines and adjust the fuelling NOT TO GIVE OUT BLACK SMOKE. **You Have Been Warned.**

Very Best Regards

Terry Cox

BTRA Hon Sec.
